Great game! <https://youtu.be/D8COc6FNYqM>This is definitely a Mah Jong game if you're looking for one.. This game is ♥♥♥♥ing sick Nice egyptian themed majong game Fun too It only runs at 640x480 and the perspective is really bad (you can barely spot height differences).. Can you work your way up from a lowly farm hand to become the Pharaoh of all Egypt?- 200 Unique Mah Jong Layouts- 3 Exotic Tile Sets- 5 Magical Power-Ups- 3 Difficulty Settings- 3 Modes of Play - Adventure, Single, Traditional- Unique Player Ranking system- All New Adventures in the Land of Egypt.. Great game Does run on Windows 10 in full screen mode for me Just don't switch to another program because you will lose the game (it'll show a small, blacked-out window instead of full screen graphics)..
